

**THE CA / BROWSER FORUM
AND ITS MEMBERS**

gratefully extend to

Gervase Markham

Their heartfelt commendation and appreciation

- For** his extraordinary leadership and skill as a founding member of the Forum in 2005 and as a Mozilla representative and a leading Forum participant from 2005–2018, and
- For** his superb work in promoting higher standards for Certification Authorities, and
- For** his ceaseless efforts to improve security for users on the internet, and
- For** sharing his deep knowledge of TLS and PKI with his fellow Forum members, and
- For** his constant innovation and improvement to the Mozilla processes applicable to CAs around the world, and
- For** his skills during Forum meetings and teleconferences so that all could participate on an equal basis and members' time was well spent, and
- For** his ability to bridge differences of opinion among members to reach solutions that could be supported by all, and
- For** his tact and diplomacy in helping Certification Authorities and Browsers meet their mutual goals, and
- For** his patience, wit, sincerity, honesty, pleasant demeanor, and everlasting good cheer, and
- For** his superior guidance, advice, and management style.

*-- **For these and many other accomplishments** we hereby affirm our deep appreciation, commendation, and congratulations to Gerv, and sincerely extend our best wishes to him and his family. --*
