GDPR Compliance Model Status

- ⦿ On 28 February 2018, ICANN org published a summary of the [Proposed Interim Model](#)
- ⦿ More details on the Interim Compliance Model were [published](#) 8 March 2018
- ⦿ ICANN org has requested additional guidance from European DPAs on how to ensure the WHOIS services can be made to be compliant with the GDPR
- ⦿ ICANN org has also requested time to implement any approved model via a moratorium on enforcement until a revised WHOIS policy may be implemented

GDPR Compliance Model Status

- ⦿ ICANN org has proposed a single interim model to ensure compliance with both the GDPR and ICANN's contractual requirements
- ⦿ The model incorporates layered/tiered access and suggests developing an accreditation process to gain access to non-public registration data
- ⦿ ICANN is soliciting input from the community on the proposed interim model as soon as possible to reach a decision on a final interim model. Input may be sent to gdpr@icann.org and will be published [here](#)
- ⦿ Read the latest updates [here](#)
