

**CABF AND SCWG MEMBER / ASSOCIATE MEMBER / INDEPENDENT PARTY STATUS  
AS OF JULY 11, 2018**

This list has 10 sections as follows:

**Sections A- D** are Members, Associate Members, and Interested Parties who have qualified to participate in the Forum and Server Certificate Working Group. We will review and approve the list on the July 12, 2018 teleconference of the SCWG’s organizational meeting, and therefore establish who the initial participants of the new Server Certificate Working Group are.

**Sections E-H** are Members, Associate Members, and Interested Parties who signed the IPR Agreement v1.3, but did NOT declare their participation in the Server Certificate Working Group. Therefor they do NOT presently qualify to participate in the Forum and Server Certificate Working Group. However, I will continue to contact them individually to ask if they want to participate in the SCWG, and I’m sure all will say yes.

**Sections I and J** are potential or prior Members who have not yet signed the IPR Agreement v1.3 or declared their participation in the SCWG. We will take no further action for them, and wait to see if they contact us in the future about participation.

If I have made any mistakes on these lists, I apologize – please let me know.

During the SCWG teleconference tomorrow, I will ask if there are any objections to the participation in the Forum and SCWG of the organizations and individuals listed in Sections A through D below. If there are no objections, all will qualify for participation.
